

Helping Customers Design & Implement Solutions

Northern California Division

Pneumatic Controls

Valves

Field Bus • Air • Water • Hydraulic
Solenoid, Mechanical and Functional Valves

Actuators

Air • Water • Hydraulic
Brass and Stainless body, Compact Space Saving, Rodless, Rotary, Grippers, Slides, NFPA

Vacuum

Venturi Pumps, Suction Cups, Filters, Electric and Mechanical Switches

Air Preparation

Filters Regulators and Lubricators, Air Dryers, Gauges, Exhaust Mufflers and Breather Vents

Shock & Vibration Controls

Rotary and Linear Dampeners, Safety, Crane and Industrial Shock Absorbers, Air Bladder and Rubber Isolators, Gas Springs

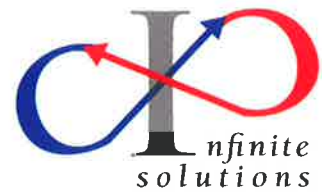

Connectors & Tubing

Industrial, Medical and Semi Conductor Grade
Tubing, Fittings and Quick Connects,
RFID Quick Couplings

Electronic Controls

Sensors

Photoelectric, Proximity, Inductive Capacitive, Fiber Optic, Reed and Hall Effect sensors for most manufactured cylinders, Pressure and Vacuum, Laser Measurement, Ultrasonic

Motors

AC & DC Brush and Brushless Servo, Linear Servo, DC Stepper Smart Servo Motors

Drives

AC & DC Brush and Brushless Servo, DC Stepper

Vision Systems

Low-Cost Compact, High Speed / High Accuracy, Color, Character Recognition, Lighting, Lamps, Lenses, 2-D Bar Code Readers

Automation Controls & PLC

Industrial, Motion and Logic Control
Minature and Rack-Style, Temperature Controls

Actuators

Rod and Rodless Linear
Motor Driven
Cartesian and Scara Robots

Operator Interface

Touch Terminals, Keypad Terminals, Minature Terminals, Message Displays, PC-Based HMI

Accessories

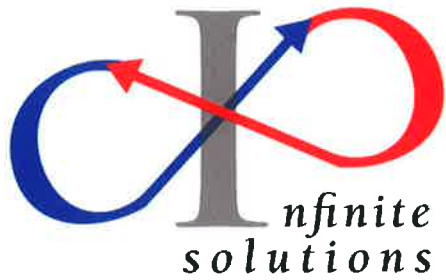

Counters, Timers, Relays, Terminal Blocks
Field Bus I/O and RFID

Conveyors

Industrial, Food and Vacuum Type
Plastic Chain, Belt, Aluminum, Steel and
Stainless Framed, FDA Approved

An ISO 9001:2008 Certified Company

Clayton Controls, Inc. delivers exceptional quality solutions by starting with the most recognized brands in our industry. Our years of experience, qualified and knowledgeable employees are enhanced by the companies and brands we partner with everyday.
