# Pneumatic Controls

## Valves

Field Bus • Air • Water • Hydraulic  
Solenoid, Mechanical and Functional Valves

## Actuators

Air • Water • Hydraulic  
Brass and Stainless body, Compact Space Saving, Rodless, Rotary, Grippers, Slides, NFPA

## Vacuum

Venturi Pumps, Suction Cups, Filters, Electric and Mechanical Switches

## Air Preparation

Filters Regulators and Lubricators, Air Dryers, Gauges, Exhaust Mufflers and Breather Vents

## Shock & Vibration Controls

Rotary and Linear Dampeners, Safety, Crane and Industrial Shock Absorbers, Air Bladder and Rubber Isolators, Gas Springs

## Connectors & Tubing

Industrial, Medical and Semi Conductor Grade  
Tubing, Fittings and Quick Connects,  
RFID Quick Couplings

# Electronic Controls

## Sensors

Photoelectric, Proximity, Inductive Capacitive, Fiber Optic, Reed and Hall Effect sensors for most manufactured cylinders, Pressure and Vacuum, Laser Measurement, Ultrasonic

## Motors

AC & DC Brush and Brushless Servo, Linear Servo, DC Stepper Smart Servo Motors

## Drives

AC & DC Brush and Brushless Servo, DC Stepper

## Vision Systems

Low-Cost Compact, High Speed / High Accuracy, Color, Character Recognition, Lighting, Lamps, Lenses, 2-D Bar Code Readers

## Automation Controls & PLC

Industrial, Motion and Logic Control  
Minature and Rack-Style, Temperature Controls

## Actuators

Rod and Rodless Linear Motor Driven Cartesian and Scara Robots

## Operator Interface

Touch Terminals, Keypad Terminals, Minature Terminals, Message Displays, PC-Based HMI

## Accessories

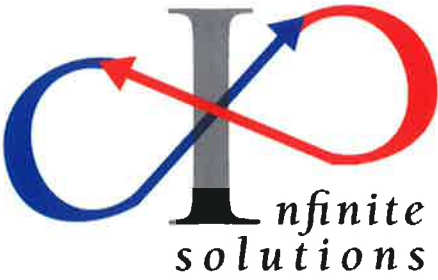

Counters, Timers, Relays, Terminal Blocks  
Field Bus I/O and RFID

## Conveyors

Industrial, Food and Vacuum Type  
Plastic Chain, Belt, Aluminum, Steel and Stainless Framed, FDA Approved
